# ILA Annual Conference 2021

**23 and 26 April 2021**

**Technical programme and booking information**

# ILA Annual Conference 2021

In light of Covid19 restrictions the ILA Annual Conference 2021 will be held virtually this year. We will be using zoom webinar platform and are looking forward to your participation in our audience polls and of course to addressing your questions. To reduce screen fatigue the conference has been split over 2 half days and short breaks between sessions have also been incorporated.

The conference will focus on the 'hot' restructuring and insolvency topics affecting both the SME space and the large corporate restructuring market and will also shine a light on personal insolvency. We are fortunate to have an array of fantastic speakers (full details set out in the conference technical programme below) and we hope that there should be something of interest to everyone. We very much look forward to a lively and informative online event.

The ILA and our sponsor GLAS, very much look forward to welcoming you to the event.
